

CLIMATE DESTABILIZATION: OUR LONG EMERGENCY
Sunday, April 28, 2019, 6:30-8:00pm
PRACTICES & ACTIONS TO CREATE RESILIENCE
The Resilience Age, documentary

This documentary, ***The Resilience Age***, illustrates the impact of resilience in cities around the world that face challenges including climate change, sea level rise, economic disparity and pollution.

The location and challenges of the featured cities vary, but they all have one thing in common: through innovative approaches to resilience, these cities have addressed their challenges and emerged better prepared to absorb the shocks and stresses that the future will certainly bring.

Join us for this uplifting film, followed by discussion.
